

Anti-Parasites Shampoo for Pets

M a d e o f n a t u r a l o i l d e r i v a t i v e s

The highly effective product is based on our natural oil technology

As active ingredients we use coconut fatty acids, fruit acids and their esters and natural oils

- highly effective against ticks, mites and fleas
- protects and prevents re-infestation
- easy to use
- biologically degradable
- safe and non-toxic

Can be used for cats and dogs, and all other home pets.

The shampoo protects your pets effectively keeping all annoying insects and small host animals such as mites and fleas away from your pet's fur.
