

# Environment spray for pets

M a d e o f n a t u r a l v e g e t a b l e o i l  
d e r i v a t i v e s

The highly effective product is based on our proven natural vegetable oil derivative technology

As active substances coconut and fruit acids, natural oils and their esters are used.

- effective against fleas, ticks and
- protects from re-infestation
- biologically degraded
- completely safe

The environment spray eliminates completely pest insects, such as fleas, ticks and mites at their preferred living places and has a long-lasting repelling effect preventing re-infestation.

Suitable for cats and dogs, but also for birds and rodents such as guinea-pigs etc.
